

Bobby Bear Chooses his Clothes

Listen to Bobby. Look at the pictures.

Color the clothes for rainy, snowy, and cold weather with a **blue** crayon. Color the clothes for sunny and warm weather with an **orange** crayon. Point at each picture and say the kind of weather you would wear these clothes for.

Do you know what these clothes are called?
Say them, pointing at the pictures.

Make a clothes collage. Cut out different clothes from magazines. Paste them on a big poster board and hang it in your classroom.
